

Tonic Terms and Conditions

1 AGREEMENT

I, the person whose name is set out overleaf, hereby agree to adhere to the NSLC Tonic Fitness Centre Terms and Conditions as specified below.

2 TERMS AND CONDITIONS

Members only

Access to the Fitness Centre is strictly for Members only. Do not open/hold the door open for ANYONE. If they are a genuine member their card will have been activated. Anyone found to have knowingly let a non-member into the Fitness Centre will have their membership PERMANENTLY revoked.

No Workwear

Only suitable gym-wear may be worn - no workwear to be worn while using the Fitness Centre or the equipment. This applies to all NMUK or Contractor issued clothing, including Nissan T-shirts, trousers, shirts and boots: it could lead to possible contamination or damage to the floor and equipment and a subsequent cost for cleaning.

Housekeeping

Please tidy ALL equipment away after you've used it, to prevent trips, and put all rubbish in the bins provided.

Using Machines

Machines must be used in a safe and correct manner. Do not overload or use the machines outside the scope for which they were intended. Follow the Fitness Centre induction in which you were shown the correct way to use the apparatus. To apply for a refresher induction, please contact a NSLC Staff Member.

Using Free Weights

Free-weights are to be used in the designated area only, which is clearly marked. They are NOT to be added to machines or to increase the weightstack as it is unsafe to do so.

Use of Dumb-bells

When using dumb-bells, ensure you are comfortable with the weight selected. If in doubt, ask for staff assistance when lifting or if 'spotting' is required then ask other users. When placing the weights back on the floor do not drop them as this will cause damage to the dumb-bells which will then be removed from service. Ensure all dumb-bells are placed on racks when not in use.

Fitness Centre Etiquette

The use of the equipment and machines during peak/busy periods i.e. during lunch time or straight before & after shifts should be limited to allow other members access to all the facilities, Please use cardiovascular equipment i.e. treadmills, steppers, rowing machines and cycles for 20 minutes only. Weight lifting machines should be limited to 3 sets per person.

Safety

All Fitness Centre Members must use the facilities with care and safety in mind. Caution should be taken not to injure yourself or any other users of the Centre. Broken equipment must be reported at the first opportunity to a NSLC Member of Staff.

Opening Times

Saturday 9am – 5pm.

CLOSED BANK HOLIDAY MONDAY

Closures may be necessary due to NMUK closedown periods and 7 days notice will be given wherever possible at such times that changing rooms may not be available due to activities and events.

3 CONDITIONS

NSLC accepts no responsibility for personal thefts from the gym. Please ensure you have taken professional medical advice and have had a full induction before using the facilities and equipment.
